SUBJECT: LETTER REGARDING COMPLIANCE ISSUES IN 2017

Dear Mr. Arthur-Dadzie**,**

On behalf of the International Commission for the Conservation of Atlantic Tunas (ICCAT), I am writing to inform you that, at the 25th Regular meeting of ICCAT (14-21 November 2017, Marrakech, Morocco), the Commission expressed its concerns regarding Ghana's reporting deficiencies of ICCAT requirements.

During the 2017 Compliance Committee meeting, Contracting Parties and Cooperating non-Contracting Parties, Entities or Fishing Entities (CPCs) were assessed for compliance with ICCAT conservation and management measures and reporting requirements. Based on the review of the Secretariat Report on Statistics and Coordination of Research and the 2017 Secretariat's Report to the Compliance Committee and other available information, the Committee noted the following deficiencies for Ghana:

- In Ghana's 2017 Annual Report there are no explanations in the fields where Ghana has responded "Not applicable" or "N/A",
- Task II size data were not submitted, as required under GEN S5, using form ST04-T2SZ,
- Sailfish catches reported in Task I, but no report on Ghana's sailfish data collection programs or implementation of ICCAT sailfish measures, as required in para. 4 of Rec. 16-11. "Not applicable" is indicated for 16-11 in Ghana's Annual Report, which does not appear to be an appropriate response in light of reported catches.

The Commission requests Ghana to reply to this letter before **10 October 2018**, i.e. at least 30 days before the COC special session that shall be held in accordance with the "*Resolution by ICCAT to facilitate an effective and efficient Compliance process*" [Res. 16-22] prior to the ICCAT Commission 21st Special meeting (scheduled to be held from 12-19 November 2018 in Croatia). The response should indicate all the progress and plans made by Ghana to address each of the issues raised in this letter. Ghana's response will be reviewed by the Compliance Committee at its 2018 meeting to determine if Ghana has taken sufficient and appropriate steps to address these issues.

Please note that all the ICCAT Recommendations and Resolutions, as well as the information related to the reporting requirements, and the deadlines and formats for data submission can be downloaded from the ICCAT web site or are available on request from the ICCAT Secretariat. ICCAT Recommendations and Resolutions are available here.

The list of SCRS reporting requirements are available here and the list of Commission reporting requirements are available here.

If Ghana has any questions about the issues raised in this letter or about ICCAT requirements, please do not hesitate to contact the Secretariat at info@iccat.int

Thank you for your attention to these important matters. Please accept the assurances of my highest consideration.

Compliance Committee Chair
