SUBJECT: LETTER ON COMPLIANCE ISSUES

Dear Mr. Haiwen Sun,

On behalf of the International Commission for the Conservation of Atlantic Tunas (ICCAT), I am writing to inform you that, at its 21st Special meeting (12-19 November 2018, Dubrovnik, Croatia), the Commission noted certain reporting and implementation deficiencies for China regarding ICCAT requirements, which are listed below and in the attached response template.

Specifically, based on Compliance Committee (COC) review of the Secretariat Report on Statistics and Coordination of Research, the 2018 Secretariat's Report to the Compliance Committee, and other available information, the Committee noted the following:

- Rec. 12-07: No list of designated ports for foreign flagged vessels.

The Committee noted positively the information provided by China on actions taken thus far and planned as reported at 2018 meeting. Nevertheless, China is reminded that the lack of full implementation of ICCAT requirements can undermine the work of the Commission in fulfilling the Convention's objectives. And late or incomplete reporting causes difficulties for the Secretariat in preparing documents for the Commission and reduces the effectiveness and efficiency of the COC and other ICCAT bodies. The lists of reporting requirements, the relevant reporting forms (such as ST09 or the Guidelines for the Annual Reports), and ICCAT Recommendations and Resolutions are published annually on the ICCAT web site at:

https://www.iccat.int/en/SubmitCOMP.html
https://www.iccat.int/en/submitSTAT.html
https://www.iccat.int/en/RecRes.asp

The Commission requests China to reply to this letter no later than **18 October 2019,** and that the attached template be included (preferably submitted as an MS Word document) to indicate the actions taken by China to rectify the deficiencies indicated.

If you have any questions about the issues raised in this letter, including a request for a more detailed explanation of the issues, please do not hesitate to contact me and the Secretariat at info@iccat.int.

I would also like to express my regret that due to serious health issues, I was unable to send this letter sooner. However, my recovery is going well and I remain fully committed, and am now fully available, to help ensure that the COC continues to build on its recent progress at this year's annual meeting.

In thanking you for your attention to these important matters, let me express to you the assurances of my highest consideration.

Derek Campbell
Compliance Committee Chair
