SUBJECT: Request for further cooperation with ICCAT

Honourable Minister,

On behalf of the International Commission for the Conservation of Atlantic Tunas (ICCAT), I am writing to inform you that, at the 26th Regular meeting of ICCAT (18-26 November 2019, Palma de Mallorca, Spain), the Commission reviewed the information received from St. Kitts & Nevis, and was pleased to note that statistical data had once again been received.

ICCAT would like to thank you for your cooperation to date and to request that St. Kitts and Nevis continue providing, in a timely manner, complete statistical data for tuna and tuna-like species, as well as for billfish and pelagic shark species, which are of the utmost importance to ICCAT to ensure that accurate information is taken into account in stock assessments. I should therefore be grateful if data for species of relevance to ICCAT could be submitted to the Commission in the future, in the forms available at https://www.iccat.int/en/submitSTAT.html.

Additionally, I should like to reiterate our request for information from St. Kitts & Nevis regarding the conservation and management regime for tuna and tuna-like species and other species subject to ICCAT conservation and management measures, including billfish and pelagic shark species, in writing before 21 October 2020. A complete list of ICCAT conservation and management measures can be found at https://www.iccat.int/en/RecRes.asp

On behalf of the Commission, I would also like to encourage St. Kitts and Nevis to consider becoming a Contracting Party to ICCAT or, at a minimum, to seek the status of Cooperating Party, Entity, or Fishing Entity in line with *Recommendation by ICCAT on Criteria for Attaining the Status of Cooperating Non-Contracting Party, Entity or Fishing Entity in ICCAT* [Rec. 03-20].

Should you require any further information in this regard, or assistance with completing any forms for submission of statistical data, please do not hesitate to contact the ICCAT Secretariat (at info@iccat.int).

Please accept the assurance of my highest consideration.

Derek Campbell
Compliance Committee Chair
