

Madrid – 5 April 2017

ICCAT CIRCULAR # 2250/2017

SUBJECT: 2017 SHORTFIN MAKO SHARK STOCK ASSESSMENT
(Madrid, Spain – 12 to 16 June, 2017)

I have the honor to inform you that the Shortfin Mako Shark Stock Assessment Meeting will be held between 12-16 June 2017, in Madrid, Spain.

Attached please find the objectives, the tentative agenda of the meeting and other relevant information about the organization. I would appreciate it very much if you distribute this announcement to scientists who may contribute by participating in the meeting. This announcement will also be published on our web site.

In order to have an estimation of the number of participants in advance of the session I would also appreciate if you could send to the Secretariat a list of delegates who will participate in the meeting by **29 May 2017**.

Please receive the assurances of my highest consideration.

Driss Meski
Executive Secretary

3. Language

The working language for the meeting will be English, as no simultaneous translation can be provided. Scientific documents can be written in English, Spanish or French.

4. Call for scientific papers

Participants are encouraged to submit relevant scientific papers. In order to better organize the meetings, in 2014 the SCRS established deadlines for submitting documents, which were revised in 2015. These deadlines provide the rapporteurs with valuable information to better fit the meeting timetable as well as allow the Secretariat to make the documents available to participants in advance of the meeting. In 2015 the SCRS "proposed that a new deadline for the submission of SCRS documents should be implemented; these documents should be provided in their entirety at least one week before the meeting in which they are to be presented to facilitate their review by participating scientists prior to these meetings". As such the full documents for this meeting should be provided to info@iccat.int or miguel.santos@iccat.int by **5 June 2017**. Authors are reminded to closely follow the *Guidelines for Authors of Scientific Documents for the ICCAT SCRS and Collective Volume Series*. Furthermore, the original documents (text, tables and figures) should be prepared in WORD or compatible software.

5. Provision of data

At the 2017 Shortfin Mako Data Preparatory meeting, the Group decided that any additional catch data or revisions to the data provided in tables 7 and 8 of the meeting report, that CPCs may wish to see incorporated in the assessment, must be submitted by the end of April 2017, or it will not be included in the assessment input files. The Group further specified that this should in fact be the case for all data to be included in the assessment of the shortfin mako stocks (including size data, CPUEs etc.). As such a general deadline of 30 April 2017 was set for all data to be included in the 2017 Shortfin Mako Stock Assessment (North and South).

6. Funding

Funding is available to cover travel and subsistence expenses for a scientist from each ICCAT developing Contracting Party who can provide information relevant to the meeting objectives, particularly in reference to provision of data.

According with the Rules of Procedure for the Administration of the Special Meeting Participation Fund adopted at the 2014 Commission meeting, requests should be received **45 days** in advance, i.e. **28 April 2017**. Requests for financial assistance cannot be accepted after that date.

All the information related with the ICCAT special funds for participation in ICCAT meeting and capacity building is available in the ICCAT web site [here](#). It is highly recommended to visit this web page in advance and to strictly follow the protocols. In particular, it is necessary to fully complete the invitation form including explanations of the expected contribution to the meeting and how it relates to the meeting objectives.
