Instructions for the Trip Summary form

NOTE: All data provided are CONFIDENTIAL and will be used to determine the effects of existing and proposed management policies on fishery participants. Consistent and accurate reporting is critical for achieving the benefits of conservation and management of Atlantic Highly Migratory Species fisheries. The *blue page* is a continuation of the set form and is *mandatory* for all permitted vessels. The *green page* (Trip Expense and Payment Summary) is *mandatory only if your vessel has been selected* and you have been notified in writing by NOAA Fisheries that this information is required of you. Vessels not selected are encouraged to supply the information on the green page on a **voluntary basis. If you have any questions, please contact the Logbook Program at (305) 361-4581, or Mr. Andy Bertolino at (305) 361-4240, or alternatively, visit our website (<http://www.sefsc.noaa.gov/fls.jsp>). For additional logbook supplies, include a written request with your logbook submission. If your vessel **did not fish** during a given calendar month, fill out a No Fishing Reporting Form located at the back of this logbook. Instructions have been included in the Set Form Logbook, pg. 1. These reports **must be mailed (faxes are no longer accepted)** within the time period delineated below to NATIONAL MARINE FISHERIES SERVICE, P.O. BOX 491740, MIAMI, FL, 33149.**

Please use a ballpoint pen and print clearly to record the following on the Blue Page:

- **Vessel Name and Vessel Number:** U.S. Coast Guard vessel identification number or state registration number as recorded on permit.
- **Contact Telephone Number and Name:** Printed name and telephone number of the person completing the form.
- **Captain Signature and Name:** Signature of the person completing the form (normally, this would be the captain for the trip, although the vessel owner may complete the second portion of the form).
- **Port & State of Departure:** Location of port from which the vessel departed.
- **Port & State of Landing:** Location of port that vessel returned.
- **Dealer Name(s):** List of names of dealers purchasing the harvest.
- **Date of Departure:** Calendar date (month/day/2006) on which the trip was started.
- **Date of First Set:** Calendar date (month/day/2006) of first set made on trip.
- **Date of Last Set:** Calendar date (month/day/2006) of last set made on trip.
- **Date of Landing:** Calendar date (month/day/2006) the vessel arrived back at port. This can be different from the offloading date.

- **Number of Crew Members:** Number of persons paid as crew (excluding captain).
- **State Trip Ticket #:** For states that require trip tickets, include the ticket # from your sales receipt.

Remove the blue page, attach corresponding set forms and tally sheet, and mail within 7 days after last offloading date.

The following information (found on the Green Page) is mandatory for selected vessels and voluntary for all other vessels. For selected vessels, the following information must be mailed within 30 days after last offloading date.

PAPERWORK REDUCTION ACT STATEMENT: Atlantic highly migratory species (HMS) vessel logbooks provide information on fishing effort, target catch and bycatch in the fisheries for tunas, sharks and swordfish. This is the basis for quota monitoring and stock assessment and is used to meet international obligations to report fishery statistics to the International Commission for the Conservation of Atlantic Tunas. Collection of economic information through vessel logbooks provides current data on costs and earnings for vessels participating in the Atlantic HMS fisheries and aids NMFS in assessment of impacts of fishery regulations. Public reporting burden for this information collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining data, and reviewing completed collection of information, is estimated to average: 12 minutes per response for set form (daily report); 30 minutes per response for the trip expense and earnings summary; 2 minutes per response for no-fishing report; and 30 minutes per response for annual expenditures form. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to: National Marine Fisheries Service, F/SF1, 1315 East West Highway, Silver Spring MD 20910. Providing requested information on the trip summary form is mandatory, if selected, for managing the Atlantic HMS fisheries in accordance with Atlantic Tunas Convention Act (16 U.S.C. 971 et seq.) and Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 et seq.). In accordance with NOAA Administrative Order 216-100, it is agency policy not to release confidential information, other than in aggregate form. Notwithstanding any other provision of law, no person is required to respond, nor shall any person be subject to a penalty for failure to comply with information collection subject to requirements of Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number. This is an approved information collection under OMB #0648-0371 that expires July 31, 2008.

**2006 FISHING VESSEL LOGBOOK RECORD
ATLANTIC HIGHLY MIGRATORY SPECIES FISHERIES
SET FORM INSTRUCTIONS**

This form is to be used to report fishing activity for Atlantic highly migratory species permits. Under current regulations, all fishermen are responsible for submitting a logbook for every fishing trip. Set forms must be filled out within 48 hours of that day's activities or before offloading.

Please print all requested information clearly. A form with incomplete or unclear information may delay processing and not be credited towards your compliance. This lack of compliance may result in your permit renewal being denied.

Monthly reporting for individuals holding a Swordfish and Shark permit will be considered complete and in compliance with the regulations only if: 1) the (a) Trip Summaries for each trip completed during the month, (b) individual Set Records for each set made during the trip(s), and (c) Tally Records for all fish sold are provided; or 2) a no fishing report is provided.

If a permitted vessel did NOT fish during a calendar month, a No Fishing Reporting Form must be completed. No Fish Reports are located in the back of the Trip Summary Logbook, behind the trip report forms. Please note the following for No Fish Reports:

- A separate form must be completed for each month that no fishing occurred.
- Please do not submit one form for multiple months.
- Do not submit more than one form for each month.
- Put a check by each permit for the fishery(ies) that no fishing occurred.
- Multiple fisheries can be reported on one form.
- Do not check fisheries for which you do NOT have a permit.

In the pre-addressed envelopes provided, please mail original set forms, along with the Trip Summary Form and weighout slips (tally records), or a No Fishing Reporting Form, to:

**National Marine Fisheries Service
Logbook Program
P.O. Box 491740
Key Biscayne, Florida 33149-9915**

Mailing should be postmarked no later than the 7th day after offloading all Atlantic Highly Migratory Species, or (7) days after the end of a month which you are reporting no fishing activity. **Faxed reports are no longer accepted.**

When additional forms or envelopes are needed, please include a note with your logbook submission or call the Logbook Program at the number listed below. Include your name, address and your vessel identification number. If you have any questions, please contact the Logbook Program at (305) 361-4581, or Mr. Andy Bertolino at (305) 361-4240. Alternatively, you can visit our website at <http://www.sefsc.noaa.gov/fls.jsp>.
