## ICCAT CIRCULAR # 7255 / 2020

**SUBJECT: THE ATLANTIC OCEAN TROPICAL TUNA TAGGING PROGRAMME FINAL (ONLINE) SYMPOSIUM - EXPERIENCE, RESULTS AND LESSONS LEARNT FROM OCEANIC TUNA TAGGING CAMPAIGNS: THE AOTTP IN CONTEXT**

Due to the impact of the COVID-19 it has been impossible to hold an in-person ICCAT meeting since March 2020. Accordingly, the AOTTP Final Symposium, initially scheduled for June in Senegal, has now been rescheduled as an online Symposium from 12-14 January 2021.

We are pleased to announce that registration for the AOTTP Final Symposium is now open. For more details on theme sessions and links to the registration form, [click here](#). Abstract submission is open until **22 November 2020**.

I would appreciate it very much if you could distribute this announcement to scientists, managers and other relevant stakeholders who may contribute by participating in the AOTTP Final Symposium.

Please accept the assurances of my highest consideration.

Camille Jean Pierre Manel
