ICCAT CIRCULAR # 8379 / 2023

SUBJECT: ONLINE TRAINING WORKSHOP SESSION ON USING ICCAT'S INTEGRATED ONLINE MANAGEMENT SYSTEM (IOMS)

At its 2023 intersessional meeting, the Online Reporting Technology Working Group (WG-ORT) scheduled one IOMS workshop (training course) for 2023 that will cover current IOMS functionalities with a focus on the vessels manager module. I am pleased to announce that this workshop will be held online (ZOOM platform with simultaneous interpretation) on **16 October 2023** for a total of 4 hours, starting at **12:00h (CET)**, with a 30-minute break (14:00h - 14:30h).

In the form of interactive seminar, the workshop is intended for all potential ICCAT IOMS users (CPC administrators and officers, Chairs of ICCAT subsidiary bodies, Secretariat staff, etc.). The WG-ORT agreed to record the full workshop for dissemination online (available to all CPC users). It is possible to request a short additional one-on-one (CPC and ICCAT Secretariat) training session to complement this workshop (requests shall be sent by email to: general@ioms.iccat.int).

The current official list of WG-ORT representatives and IOMS registered users nominated by the CPCs is attached as **Annex 1**. The ICCAT Secretariat should be informed of any changes to **Annex 1** required by each CPC as soon as possible. The individuals listed in **Annex 1** must be registered in IOMS in advance of the workshop. Registration guidelines can be found in **Annex 2**. Individuals not included in **Annex 1** are also welcome to participate in the IOMS workshop. All participants must register for the meeting using the online registration form available on the ICCAT [current meetings webpage](#) by **1 October 2023**.

Both the IOMS registration guidelines and the tentative Work Programme are presented in **Annex 2**.

Those who wish to submit comments to the Working Group are requested to do so at least one week in advance of the workshop (**9 October 2023**) to allow all participants to review the information available before the workshop. All comments must be sent to the Secretariat (both emails: info@iccat.int and general@ioms.iccat.int). The pertinent information required for the Workshops will be uploaded to the ICCAT NextCloud (content collaboration platform). Access to NextCloud will be granted to all the webinar participants (panellists and attendees) at a later stage, together with the link and credentials to the ZOOM workshop.

Please accept the assurances of my highest consideration.

Executive Secretary

Camille Jean Pierre Manel
