## ICCAT CIRCULAR # 00186 / 2023

**SUBJECT: MEETING OF THE ONLINE REPORTING TECHNOLOGY WORKING GROUP (WG-ORT)**  
(Online, 7-8 February 2024)

Further to Circular #13057/2023 of 19 December 2023, an online meeting of the Online Reporting Technology Working Group (WG-ORT) has been scheduled from **7-8 February 2024**. The meeting times will be 12:00 to 17:00 hours (Madrid time), with one 60-minute break around 14:00. The tentative Agenda is attached as **Annex 1**.

The current official list of participants nominated by the CPCs is attached as **Annex 2**. In the event of any change in the participants previously nominated, the Secretariat should be informed as soon as possible, but no later than **20 January 2024**. In order to organize the online meeting, which will be based on the ZOOM platform and include simultaneous translation, participants must also register for the meeting by **31 January 2024** using the online registration form which will shortly be available on ICCAT [2024 meetings webpage](#). Any late submission of the official delegation may cause a delay in providing access to participants to the meeting and the related documents.

Those who wish to submit presentations (in the form of PowerPoint or Word documents) to the Working Group are requested to do so at least one week in advance of the meeting (**31 January 2024, at the latest**), to allow all participants to review the information available before the meeting. All the comments must be sent to the Secretariat to [info@iccat.int](mailto:info@iccat.int) (Cc'ing [general@ioms.iccat.int](mailto:general@ioms.iccat.int)). These will be translated and uploaded to the [ICCAT NextCloud folder](#). Access to the link and credentials to the ZOOM meeting will be provided to the WG-ORT members at a later stage.

Please accept the assurances of my highest consideration.

P.O. Executive Secretary
