ICCAT CIRCULAR # 02626 / 2025

SUBJECT: ONLINE TRAINING WORKSHOP SESSIONS ON USING ICCAT'S INTEGRATED ONLINE MANAGEMENT SYSTEM (IOMS)

I am pleased to announce that the Online Reporting Technology Working Group (WG-ORT), at its 2025 Intersessional Meeting, has scheduled two workshop sessions with the aim of assisting CPCs in using the new modules developed in the IOMS system, specifically the Form Manager and Vessel Manager. These sessions are scheduled as follows:

- **Session 1 (6 May 2025):** Focuses on understanding and practicing with the functionalities of the Form Manager in the IOMS
- **Session 2 (30 June 2025):** Focuses on understanding and practicing with the functionalities of the Vessel Manager in the IOMS

We note that the first session was originally scheduled for 8 May 2025, but must be rescheduled for the date listed above. All sessions will be conducted online via the ZOOM platform with simultaneous translation, lasting for a total of four hours each. The sessions will commence at 12:00h (CET), with a scheduled 30-minute break from 14:00h to 14:30h. The WG-ORT agreed to record the full training sessions for subsequent online dissemination, ensuring accessibility to all CPC users.

The two training sessions, presented as interactive seminars, are designed for all prospective ICCAT IOMS users, including WG-ORT Members, CPC administrators and officers, Chairs of ICCAT subsidiary bodies, and Secretariat staff. Participation in these training sessions is encouraged for all WG-ORT representatives. The current official list of WG-ORT members is provided as **Annex 1**. The participants included in this list will receive connections instructions to the workshops. Delegates that are not included in **Annex 1** who wish to participate in the IOMS workshops are kindly requested to contact the ICCAT Secretariat **by 29 April 2025**.

The tentative Work Programme for the first training workshop session is presented in **Annex 2**. The announcements and agendas of the additional session will be duly communicated at a later time.

The pertinent information required for the workshop sessions will be uploaded to the Nextcloud. Access to the Nextcloud folder will be granted to the workshop participants at a later stage, together with the link and credentials to the ZOOM meeting. The ICCAT Secretariat has changed its NextCloud service provider. Therefore, to access information on previous Workshop sessions please click [here](#).
