SUBJECT: 2021 MEETING OF THE STANDING COMMITTEE ON RESEARCH AND STATISTICS
(Online, 27 September - 2 October 2021)

On behalf of the Chairman of the International Commission for the Conservation of Atlantic Tunas (ICCAT), I should like to inform you that the Standing Committee on Research and Statistics (SCRS) will hold its 2021 meeting online, from 27 September to 2 October 2021. In order to carry out the preparatory work, the Sub-committee on Statistics (SC-STATS) and the Species Groups will meet online during the preceding week (20-25 September 2021).

The Tentative Agendas and timetable for the SCRS, the Sub-committee on Statistics and the Species Groups meetings as well as other relevant information are attached herewith.

Please note that our mailing distribution list is limited. Therefore, I should like to ask that you circulate this announcement among potential delegates. This announcement will also be placed on our [web site](#). Documents for general distribution which become available before the meeting will also be placed on the [web site](#).

In order to organize the online meetings in advance of the sessions, in particular, regarding the number of participants, you are kindly requested to send to the Secretariat a list of delegates who will participate in the SC-STATS, Species Groups and SCRS Plenary meeting by **13 September 2021**. Any late submission of the official delegation may cause delay in providing access to participants to the meeting and to the related documents. Participants must also register for the meetings using the online registration form available on the current meetings page of our website by **15 September 2021**, at the latest.

Please receive the assurances of my highest consideration.

Executive Secretary

Camille Jean Pierre Manel
