Agreement no.	Reporting CPC	Other CPC/ State	From	To	GEAR	No of vessels	Species authorized	monitoring measures	Reporting obligations
								According to national legislation all foreign vessels must land their fish only at the central fishery harbour which is called the port of Cevihas and is located at Paramaribo,the capital of Suriname. Two data collectors of the Fisheries department of the ministry of Agriculture, Animal Husbandry and Fisheries are permanently based at the port of Cevihas for data collection purposes at the time of landing. All fishing vessels, authorized to fish for tuna and tuna-like species in the ICCAT Convention area are also required to install satellite-based vessel monitoring system (VMS).	
98	Suriname	Panama	2014	2014	LL	30	Yellowfin		Licensing scheme also obliges the master of each vessels to submit landing declaration forms at the end of each trip to the Fisheries Department of the ministry of Agriculture, Animal Husbandry and Fisheries. These forms include quantities of landing by species.

Agreement no.	Reporting CPC	Other CPC/ State	From	To	GEAR	No of vessels	Species authorized	monitoring measures	Reporting obligations

162	Senegal	Guinea Bissau	4/1/2017	3/31/2018	10	PS/BB	not specified	L'embarquement d'observateurs, la conduite d'opérations conjointes de surveillance, le droit de poursuite. Les navires de l'union européenne embarquent des observateurs du Sénégal. Les rapports d'observateurs sont envoyés au centre de recherches océanographiques du Sénégal. Une commission scientifique se réunit annuellement pour le suivi scientifique de l'accord. Les informations sur les entrées et sorties de zones sont notifiées au Sénégal. Le Sénégal procède au suivi des activités de pêche et informe les autorités de l'Union européenne dès que le niveau des captures des navires de pêche de l'Union présents dans les zones de pêche sénégalaises atteint 80 % du tonnage de référence	Exigence de déclaration obligatoire trimestrielle des captures aux autorités de Guinée Bissau. Exigence de transmission des statistiques de captures par le Sénégal. Jusqu'au moment de l'introduction du système électronique de communication des données de pêche visé au point 4 du protocole, les journaux de pêche sont délivrés selon les modalités suivantes: 1. Au Sénégal: i. en cas de passage dans un port du Sénégal, l'original de chaque journal de pêche est remis au représentant local du Sénégal, qui en accuse réception par écrit; ii. lors de la sortie des zones de pêche du Sénégal sans passer préalablement par un port du Sénégal, l'original de chaque journal de pêche est envoyé a) sous forme scannée par courrier électronique, à l'adresse communiquée par le Sénégal. Le Sénégal accuse réception sans délai par retour de courrier électronique ou, à titre exceptionnel: b) par fax, au numéro communiqué par le Sénégal, ou c) dans un délai de 14 jours après l'arrivée au port, et en tout cas dans un délai de 45
