At the last meetings of the Commission, the Standing Committee on Finance and Administration (STACFAD) has stressed how important it is that Contracting Parties comply with their budgetary obligations so that the Commission can function properly, and has expressed its concern regarding non-payment by the Contracting Parties with outstanding debt. For this reason, in 2018 the Secretariat has continued the practice of recent years of sending two letters of reminder annually to the Contracting Parties with pending debt that have not complied with their budgetary obligations.

Currently the number of Contracting Parties that owe past due contributions is still high. To date, the total outstanding debt is €1,949,634.91, which represents 51.07% of the 2018 budget.

In addition, it should be noted that seven Contracting Parties are currently in the situation of having two or more years of arrears in the payment of contributions and hence face application of Article X of the ICCAT Convention referring to the suspension of voting rights.
