*ICCAT Secretariat in consultation with the Chair*

The discussion on the procedure for the streamlining of ICCAT Conservation and Management measures will be led by STACFAD, on the basis of document **STF\_205/2019**. In order for discussion on the relevant sections to take place in the appropriate bodies, however, individual documents have been prepared for consideration. The Commission may wish to consider the following two issues in Plenary.

[Rec. 12-10]      *Recommendation by ICCAT to Establish a Working Group to Develop Amendments to the ICCAT Convention*

This Recommendation established the terms of reference for the Convention Amendment Working Group, which in theory has now finished its work.

**Suggested action:** The Commission may wish to consider this Recommendation inactive from 2020 onwards.
