

Tagging of Bluefin Tuna

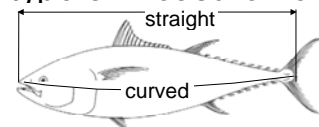

¡ Reward for the recapture of bluefin tuna tagged !

When a tagged bluefin tuna is found, the following information needs to be reported:

- Tag Number.
- Date and place where you caught it and the fishing gear used.
- Size or weight of the fish, including the type of measurement.

Please **Contact** or send this information together with the tag and your address to:

- Instituto Español de Oceanografía, Apdo. 240, 39080 Santander, Spain.
Tel:+34 942 291060, Fax:+34 942 275072, E-mail: rodriguez.marin@st.ieo.es

or

- International Commission for the Conservation of Atlantic bluefin tuna (ICCAT)
Corazón de María 8, 28002, Madrid, Spain. Tel:+34 91 4165600

or

- Closest Local Fishing Agency.

Please do not hesitate to communicate the data even if tagged fish is undersize.
